Thank you for purchasing the app.

If you have any questions that are beyond the scope of this help file

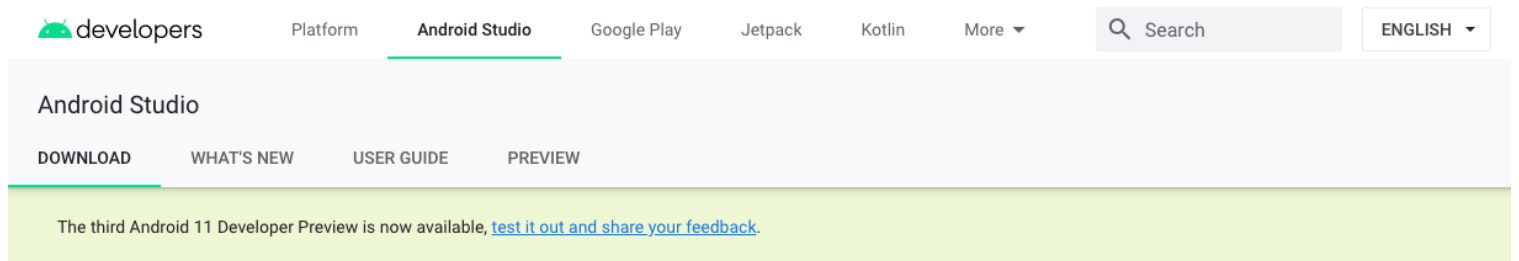

please feel free to message me via my Email :- FitnessCh19@gmail.com

Requirment:-

Which Android Studio version is needed?

Recommended Android Studio version is 3.3.0

you can download archive from here:- **DOWNLOAD**

The screenshot shows the top navigation bar of the Android Developers website. It includes links for 'Platform', 'Android Studio' (which is underlined), 'Google Play', 'Jetpack', 'Kotlin', and 'More'. There is a search bar with a magnifying glass icon and the text 'Search', and a language selector set to 'ENGLISH'. Below the navigation bar, the 'Android Studio' section is highlighted. It contains links for 'DOWNLOAD', 'WHAT'S NEW', 'USER GUIDE', and 'PREVIEW'. A green banner at the bottom of this section states: 'The third Android 11 Developer Preview is now available, [test it out and share your feedback.](#)'

android studio

Android Studio provides the fastest tools for building apps on every type of Android device.

DOWNLOAD ANDROID STUDIO
